Perhaps you recall that back in early 2010, when we thought that St. Jerome's would be closed, we formulated an operating plan which was approved by the Archdiocese and which allowed St. Jerome's to continue as a mission church of Guardian Angels. There were several requirements that must be met now and in the future. One of those requirements was that our community must continue to carry its own financial weight. **Because of your extremely generous contributions, our financial picture is very bright! Thank you!** (You can read the "Save Our Church" (SOC) Operating Plan on our website on the Save Our Church tab.)

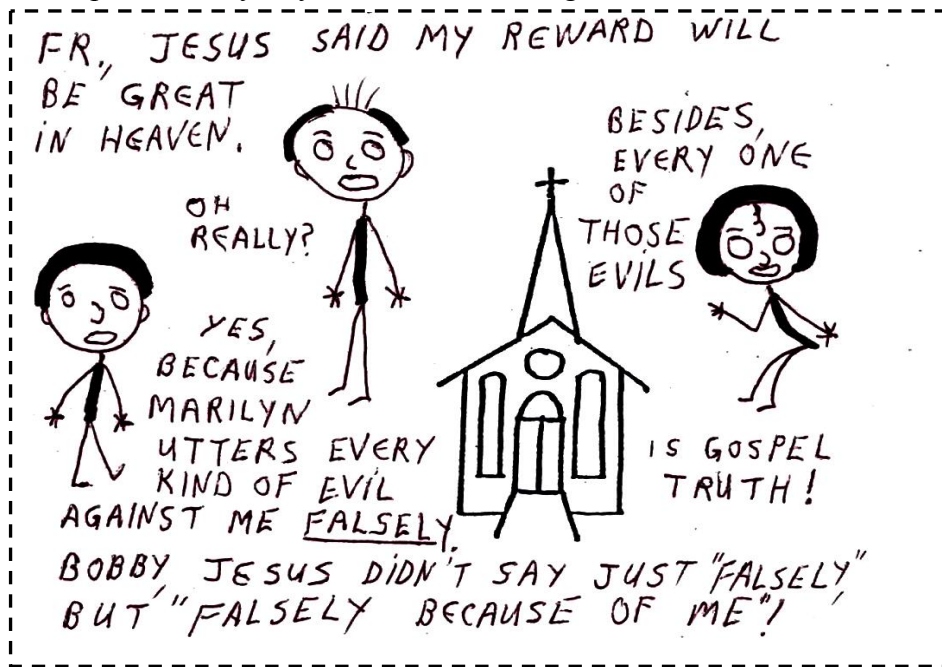

Words of Wisdom

There are at least two pro-life bills in committees of Congress. HR-358 proposes to amend the new Healthcare Act to protect innocent life and to safeguard the conscience rights of healthcare workers. HR-5939 would establish a permanent, government-wide law against federal funding of abortion and federal subsidies for insurance providing coverage for abortion. Even if you have done it before, please write (mail works better than email) to your legislators and tell them how you feel. Visit <http://hq-salsa.wiredforchange.com/o/5950/getLocal.jsp> to find their addresses.

Have you ever been to the **Gethsemani Trappist Abbey** near Bardstown, Kentucky? Imagine that you were a single man between the ages of 18 and 55 and that you were wondering what God had in mind for you and your future. Can you think of a better place to spend a few days working and praying with very religious men? Certainly it is a place where God's voice can be heard loud and clear. If you know such a man, tell him that there are **retreats** scheduled in March, April, and May. Tell him to call 1-502-549-4103 for more information.

Thanks for picking up your **envelopes!** There are only a few boxes left – if you don't have yours, please look for them and, if they aren't there, please call the office between 1 and 5 PM weekdays to get a box for 2011. **Speaking of envelopes, call us if you want a statement of your 2010 contributions – they will not be mailed automatically (next year they will). Phone 231-7042.**

Many of the words we pray during Mass will change beginning November 26th and 27th, 2011. We hope that many of you can attend the eight-week course on the Mass and the revisions and,

afterwards, help us reach out to others in our community to help them make the transition.

The Comboni Missionaries Auxilliary will hold its bi-monthly rummage sale on Friday, February 4th from 9 AM to 2 PM at the Comboni Mission Center, 1318 Nagel Road. \$5 bag sale. Large selection of clothing, toys, and household items.

You have questions; we have answers: Saints weren't always the intensely serious people we often think they were. **Padre Pio** was being interviewed by a reporter who told him that he believed that Father meditated too much on Our Lord's Passion, and that the Stigmata was a biological reaction in sympathy of it. Padre Pio told him that he should go out into the fields and meditate on the cows, and see if he grew horns! And when **St. Lawrence**, a deacon and martyr of the early Church, was being burned to death on a grid-iron, it is rumored that he said "Flip me over, I'm done" just before he died. Also, St Augustine wrote in his Confessions 'Lord grant me chastity and continence - just not yet! ☺☺☺

Thursday, February 3rd, is **the Feast of St. Blaise, patron saint of throats**. Blaise was a good bishop in Armenia, working hard to encourage the spiritual and physical health of his people but, due to persecutions, he was forced to flee to the back country. There he lived as a hermit in solitude and prayer, but made friends with the wild animals. Later, some hunters found him and hauled him off to prison where a mother came with her young son who had a fish bone lodged in his throat. At Blaise's command the child was able to cough up the bone. Blaise was horribly tortured because he would not worship idols and, finally, he was beheaded in 316 AD. **We will receive individual St. Blaise blessings of our throats after the First Friday Mass at 7:30 PM Friday February 4th.**

Are Catholics allowed to practice family planning? Of course we are! The restriction is, of course, against the use of artificial means. If you are or if you know a young couple struggling with the decision about limiting family size, please tell them about the Natural Family Planning Course which starts February 9th at St. Lawrence Church in Price Hill. NFP is a safe, healthy, effective, and morally-right way for both achieving and postponing pregnancy. Call John or Sheila Kippley at 661-7396 for more information or visit www.nfpandmore.org.
