You are, without doubt, among the kindest and most gracious people on earth!

THANK YOU VERY MUCH!

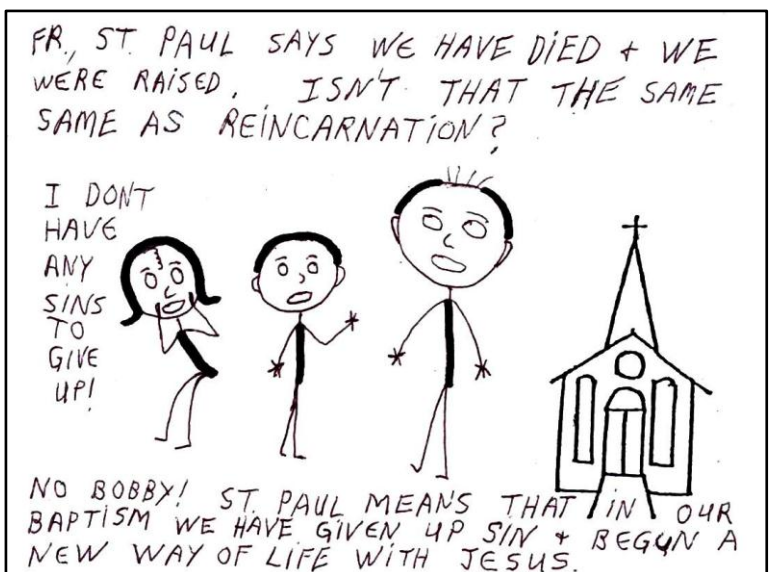

You Have Questions; We Have Answers: Yes, we know that Christmas seems more popular than Easter, especially to children. Besides the merchandising campaigns that bombard us at Christmas, the Nativity and all the other marvelous stories that enchant us seem far more uplifting – fun, even – than the stories of Jesus’ suffering, death and even His resurrection. Many non-Christians celebrate Christmas and hardly think of Easter except as an excuse to buy lots of chocolate and hide eggs. Without Easter, however, there would not be a Christmas. If Jesus had not risen from the dead, history would have recorded him as just another minor prophet. If Jesus had not died to atone for our sins, we would have no hope of eternal life in heaven. While we do love Christmas, we love Easter more!

If you haven’t returned your **Operation Rice Bowl** boxes, please bring them next week. Drop them in the collection basket or hand them to an usher. Thanks a million! Starving children will be fed.

April is **National Child Abuse Prevention Month** and reminds us that summer is near. Parents should remain vigilant regarding who is granted access to their children. They should make sure that camp counselors have undergone background checks and that camps and other activities are run with the utmost caution regarding the safety of the children.

If you or someone you know has experienced the loss of an unborn child or an infant, please consider the *Healing and Reconciliation Service* which will be offered on Wednesday, May 4th from 7 to 9 PM

at the Holy Spirit Center. As Mother’s Day approaches, the grief suffered often intensifies and this special service should bring comfort.

Dear people of St. Jerome's,

We pray that this Easter Season is a joyous time for you and your families. We also pray that the Lord will bless you abundantly and that you will know His love and His peace throughout your lives as we look forward to a share in His Resurrection.
